RE: United States v. Steven Simmons
17-Cr-127 (KMW)

Dear Judge Wood:

Your Honor recently granted a two-week adjournment of Steven Simmons's sentencing, now scheduled for March 26, with the defense sentence memo due on March 12. With the consent of the government, I respectfully request an adjournment of one additional week.

Earlier this week I learned that I have to travel abroad for a case on Monday, March 5, and will not be returning until Friday, March 9th. At this point I am not sure how reliable internet access will be, or how much time I will have to devote to preparing the Simmons sentencing memo, which is due the Monday after I return. In light of this unexpected work trip, I sincerely request the Court to adjourn sentencing for one additional week. I once again appreciate the Court's indulgence. As noted, the request is not objected to by the government.

Thank you for your consideration.

Sincerely,
